

Martinez Missionary Mail (2nd Quarter 2024)

Chuck & Robin Martinez, SGSP Mission Directors- Guatemala

♪Take Me Home Country Road♪

April held the final few weeks before we began our journey home to Guatemala. Saying goodbye to family, friends (many who are like family), plays a sad melody on our heartstrings. At the same time, we could also sense a more upbeat melody rising in our spirits as our thoughts turned to our mission country that we call home. The people, the ongoing outreaches, the flow of life, all seemed to be calling.

We divided our time in those final weeks between the bustling city of Garland and the easy rural flow of Goldthwaite. It was just what we needed to slow our rhythm to more of a Latin American life tempo.

The Dallas to Guatemala flight was easy, next came the hours long drive our home city and mission base of Quetzaltenango. Funny, exhausted as we were, we felt driven to unpack, putting everything in its place before we could breathe a long sigh of relief...ahh, back where we belong.

Happy landing

Our first afternoon back in our mission country we set about getting our household back up and running.....after lunch that is. Good to be home!

Spinning down with good friends from Refuge CMI in Goldthwaite Tx before returning to Guatemala

Woon-Kook, Guatemala Chinese food at its best!

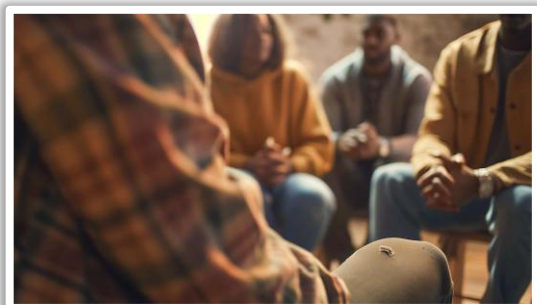

SGSP Annual Inspection

Since SGSP Aviation operates “N” (code for USA) registered aircraft in Guatemala, we must obtain special permission and circulation rights for the aircraft through the DGAC (Guatemala aviation authority). FAA regulations and standards meet or exceed Guatemala regulations and allows SGSP to perform maintenance and inspections in-house

Sewing Outreach

Robins 2nd quarter Sewing Outreach begins with these three girls that are Bible Institute (BI) students in our city of Quetzaltenango (Xela). The

BI course of training is aggressive, focusing on Doctrine and practical ministry. Robins outreach affords these young ones a bit of recharge time while adding a practical skill that benefits friends, family, and ministry. Meet Beverly, Karla, and Yeimi.

Ragtag Missionary Group

The vision of SGSP is to serve a wide range of mission workers in Guatemala. Missionaries, even seasoned ones, can feel disconnected and discouraged. The purpose is to provide a place where prayer, encouragement, and fellowship. Like a healing balm.

An Open Invitation...

We know that stateside travel is a necessary thing however, when we are out of Guatemala the paperwork continues to pile up often times resulting in an avalanche of administration upon our return. If your gifting is communication, graph design, or social media.....why not volunteer your time and talent to keep SGSP Aviation Ministries online presentation fresh and up-to-date.

We Give Wings to Good Works!
